SCIENCE IN SOLUTION

BIOLAC PRE-POST

READY TO USE LACTIC & SALICYLIC ACID BASED SPRAY,
DIP OR FOAM FOR PRE & POST MILKING HYGIENE

- Ready to use
- Versatile – can be foamed, dipped or sprayed
- Contains eucalyptus oil & glycerine for superior teat condition
- Passed EN1656:2009, a European disinfection test for *Staph.Aureus*, *Strep.Uberis*, and *E.coli*.

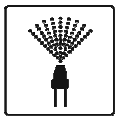

RECOMMENDED USAGE

PRE-MILKING

Clean teats pre-milking routine:

1. The product should be used directly from the container without dilution.
2. Dry wipe udders with a paper towel. Use one disposable towel per cow.
3. Forestrip each teat.
4. Fill dip cup 2/3 full of product and immerse each teat ensuring that the entire surface of the teat is covered in foam OR spray the full length of each teat. Allow a minimum contact time of 30 seconds.
5. Refill the dip cup as necessary. Dip cups should be emptied after use and washed before re-use.
6. Dry teats thoroughly with a paper towel to remove residue. Use one towel per cow.

POST- MILKING TEAT IMMERSION

The product should be used direct from the container without dilution. Fill a dip cup two thirds full with the product. Immediately after each cow has been milked, dip each teat in the solution ensuring that the entire surface of the teat comes in contact with the solution. Refill the dip cup as necessary. Dip cups should be emptied after milking and washed before reuse.

POST - MILKING TEAT SPRAYING

This product should be used directly from the container without dilution. Spray the full length of each teat after milking. Apply immediately after each milking.

BIOLAC PRE/POST can be used with a specially adapted foam dipping cup. Squeeze the bottle until the foam fills the cup. If used in sprayers, rinse pipes thoroughly with clean water between different products.

Storage: Store in original container below 25°C away from sources of heat or ignition. Protect from frost. Protect from direct sunlight.

Pack Size: 25, 200 & 1000 litre

Shelf Life: 2 years from date of manufacture

USE BIOCIDES SAFELY. ALWAYS READ THE LABEL AND PRODUCT INFORMATION BEFORE USE. FOR HEALTH & SAFETY INFORMATION, REFER TO THE SAFETY DATA SHEET
